Join us for USFN Industry Forum, the industry's go-to forum for exchanging ideas and views on issues facing the mortgage servicing industry today. This year's Forum is June 8 -10 at the Hyatt Regency Frisco-Dallas in Frisco, Texas. Registration is open until June 1 and housing cut-off is May 18.

This conference offers a mix of general sessions, breakout sessions and learning lounges for high-level review of current default issues, in-depth discussion of solutions and face-to-face time with industry peers, law firms and other service providers. Content leaders are extremely knowledgeable in a range of topics, including bankruptcy, diversity/inclusion, foreclosure, REO/eviction, legal and operations, remote work and technology. Like other USFN events, Forum delivers high-quality, engaging sessions fueled by hot topics, industry trends, state updates and participant questions. Moreover, the president's reception, meals and breaks provide ample opportunity to network and build peer relationships, while the first-time attendees orientation helps ensure new participants are welcome and informed.
