Join us for USFN Legal Issues Seminar, the industry's go-to annual event for general counsel, regulatory compliance, and in-house attorneys. This annual seminar continues to serve as a key opportunity for legal thought leaders to dialog and network. This year's Legal Issues will be held on July 17 at the Drake Hotel in Chicago, Illinois. The Early Bird registration rate expires May 18 and housing cut-off is June 25.

Failing to stay up to date on cutting edge legal issues is not an option in today's legal environment. Change is only accelerating and counsel needs to know how to chart a course forward. At this Conference you will hear from in-house and USFN attorney members who are on the front lines of legislation and court decisions that are impacting all aspects of mortgage loan servicing. Attendees will gain insight and valuable take-aways that can be put into practice today.

This exclusive format is limited to senior in house counsel, servicing, compliance and litigation managers and paralegals, together with USFN member attorneys. Attendees can expect frank and open conversation about difficult topics that simply cannot be duplicated in any other forum.

To view the complete schedule, travel details, and registration information visit <https://www.usfnevents.org/legalissues.html>. If you have a colleague that would also benefit from attending this event, let me know or feel free to forward this email.

I look forward to seeing you in Chicago in July!
