Join us for USFNstruct, a regional training opportunity offering learners an instructional, process-driven approach to foreclosure and bankruptcy processing teams. The next USFNstruct is April 7 at the Bellevue Hotel in Philadelphia and registration for servicers/GSEs is complimentary until March 31!

There is an invitation-only reception and dinner Monday, April 6 starting at 5:30 PM. Followed by a full day of training on Tuesday, April 7. USFNstruct offers two tracks (Bankruptcy or Foreclosure) each with two levels of learning (Basic or Intermediate) and is designed to offer an in-depth, chronological introduction to foreclosure and bankruptcy processing from a legal perspective. While sessions are not state-specific, USFN members can speak to state issues, plus we offer other training and Briefing webinars that focus on the state-level issues.

To view the complete schedule, travel details, and registration information, visit USFNevents.org/USFNstruct-PHL20. If you have a colleague that would also benefit from attending this training, let me know or feel free to forward this email. I look forward to seeing you in Philadelphia in April!
